

2024 In-Person Pesticide Safety Review & Testing Sites

MSU Extension, MDARD PPPMD, and MSU Pesticide Safety Education Program are offering an in-person Core Manual review class followed by Core pesticide applicator certification testing. Fumigation and Aerial Standard tests will also be available. No commercial category testing offered (schedule separately through Metro Institute at metroinstitute.com).

The 4-hour review covers the chapters of the National Pesticide Applicators Certification Core Manual. The review is held in the morning starting at 8:30 am and the MDARD exams are given that afternoon. We recommend participants read and study the Core Manual before attending the review. Copies may be ordered from: <https://npsecstore.com/pages/michigan>. County Extension may also have copies available. Please call for ahead for availability.

COST:

- Fee for Core review class \$15
- Fee for applicator certification is paid to the State of Michigan
 - Commercial \$75, Private \$50, Registered \$45
 - Military Veterans - Private applicator certification fees are waived if a copy of their DD214 is provided

IMPORTANT: Attendance for the core review is mandatory to participate in in-person testing. Refund or deferring to other locations are allowed only under certain conditions.
